INSIGHTS ON  
MIGRATION  
AND INTEGRATION

MIMY has received funding from the European Union's Horizon 2020 research and innovation programme under Grant Agreement No. 870700.

“If someone were to ask me, who I think the “perfect immigrant” is, I would say: someone who adapts but doesn’t compromise who they are; a person who recognises their privileges and uses them to empower those who can’t empower themselves.”
